

INNOVATION STRATEGY

Innovation Strategy is an understanding what I can develop internally and what I can get externally mixed with an understanding of what is high risk – High return or low-risk low return. Understanding these many issues helps you come up with an innovation strategy that delivers the highest return at an acceptable risk.

innova.ventures is a globally active management consulting firm. Our mission is to enable companies to become more innovative. Our target companies range from start-ups to scalable enterprises.
