

## INCUBATION

Incubation is the process of taking care of an entity until it can survive by itself. In innovation terms this can have many, many facets as the needs of companies and their teams are very different and vary in type and depth from the maturity of the entity. Some need a desk and a phone, some need legal advice, some additional technical resources, some IT Support etc. etc.

**innova.ventures** is a globally active management consulting firm. Our mission is to enable companies to become more innovative. Our target companies range from start-ups to scalable enterprises. Our services span from light weight coaching, mentoring and consulting to heavy lifting access support to global markets.
